

eBenefity

Money in your account in two days, without
any unnecessary delays

Advantages of a Benefits Payment Card for Partners

The eBenefity Payment Card works just like a standard Mastercard. It's easy to use. All you need is a standard payment terminal. The money will be transferred to your account within two days of payment, without any unnecessary hassle. Your transactions appear in a single report alongside your other card payments, and all you need to join the system is a contract with Up Benefity.
